

UNIVAC

COLOR SELECTION GUIDE

UNIVAC® Products are finished in coordinated colors. Each color is harmonious with all others in the group, and each looks well with previously delivered equipment.

These five colors are common to all UNIVAC small-scale systems.

End Panels:

Five colors for end panels are offered on large-scale UNIVAC Systems. Choose one of the five.

Frame
Slate Gray

Dark Green

Front and Rear
Pale Gray

Slate Gray

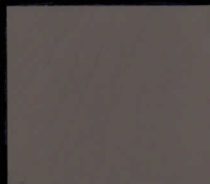

Work Tops
Off White

Twilight Blue

Accent
