The lights are turned on from 5:00 to 10:00 PM through January 2.

Our address is <u>15113 Stevens Avenue</u> in Burnsville

Enjoy a 25,000 Christmas Light Display with over 250 figurines that features a 5-foot star on the house that has lights cascading to a 15-foot star on the ground that contains the stable with Mary, Joseph, and Baby Jesus. The children will enjoy seeing Santa counting down the number of days to Christmas. 12 stars and 42 snowflakes are on the house and garage roof. For your listening pleasure, the Crabtree Lights are synchronized to Christmas Music.
